## Features:

## Feature : details

1. Online Classroom: A tutor can teach a class of up to 3 students at the same time from the comfort of their own homes.
2. One-on-One: A private session between a tutor and one of his students can be started with ease!
3. Machine learning: Our power machine learning system can understand how a student learns and matches them with a suitable tutor.
4. Cloud upload: All live sessions are recorded and uploaded into our "Cloud" where both students and tutors can re-watch at any time.
5. Real-time collab: Thanks to a powerful & intuitive white board, both the tutor and the students can interact with each other by drawing or typing!

6. Online library: Notes and session slides are uploaded onto our "Cloud" for easy access!

7. Easy Access: Accessible from any computer, tablet or phone!

8. Chats: students & parents can text the tutor and vice-versa through our secure chat portal

9. Online progress: Visualised progress based upon coverage of syllabus, homework & sessions!

Pricing reasons:

100 students, 2 sessions a week, £15/hour

then the tuition practice makes £12,000 a month

So we charge £1000/month that is 8.34%  
of what they get

250 students → £30,000 a month

So we charge £2,500 → 8.34%  
of what they get

500 students  $\rightarrow$  £60,000 a month

so we charge £4,000  $\rightarrow$  6.67%  
of what  
we get
